INFLAND AND JOHN MITCHELL. in the attempted rebellion of the latter of the incendiary teaching of white year, was sentenced to penal servitude | men, who mislead in order to control for fourteen years, is again upon his na- the negro vote for their own election of the struggle for home-rule and inde- solely that they may "put money in pendence, which secured him the ap- their purse." To permanently remove plause of the old and the new world, a disease we must remove the cause of an ovation such as is seldom, now-a- leaders take warning that the people are days, vouchsafed even to royalty in the fully appreciative of the gravity of the "light little isle." The people turned mischief resulting from the political out on masse, and showered upon the doctrine, the tricks, deceit and fraud, returned exile every mark of popu- preached to and practiced upon the lar esteem and respect. Indeed, blacks from the Radical red-Republican they went beyond the ordinary platform. We have dispassionately canmethods of manifestation of re- vassed this question since the riotous spect for popular patriots, and drew behavior of the negro in this and other upon themselves, as well as upon Mr. | States, and we believe public opinion to power develving upon a great party, trayed by scoundrel adventurers, let He was an eye-witness of the troubles them turn from them, and find friendin the south, shared with us in the hard- ship, security and prosperity in the ships of the late war and felt as ke mly | counsel of henest southern men. as in Ireland in '48 the vengeance of a government that almost at every step from 65 to 74 has mocked republicanism and buriesqued liberty. But he knows how to discriminate between the | Washington. false and the true, and will be none the less an ardent friend of the great republication and the true, and will be none the less and the true, and will be none the less and the true, and will be none the less and the true, and will be none the less and the true, and will be none the less and the true, and will be none the less and the true, and will be none the less and the true, and will be none the less and the true, and will be none the less and the true, and will be none the less and the true, and will be none the less and the true, and will be none the less and the true, and will be none the less and the true, and will be none the less and the true, and will be none the less and he, and none the less a republican. We there Tuesday. have a deep and heartfelt sympathy with Mr. Mitchell. From him, and Meagher, Davis, Duffy and others of the brilliant writers, speakers and poets of otism that have endeared him and them to us, and we shall watch with bated interest his movements in a land that bears many analogies to the south, and that, as Mr. Martin has said, and the great vened at Indianapolis Tuesday. orator, Isaac Butt, has time and again reiterated, must enjoy at least homerule before the agitation of the patriots lished until after the meeting of condiminishes in fervor, or they slacken in gress. their denunciations of a government as foreign in Ireland to-day as in the days foreign in Ireland to-day as in the days cratic co

THE RIOTS AND THE RADICAL LEADERS.

low const.

During the last ten days the peoing State of Mississippi have been average quality. thrown into intense excitement, their business interrupted, and the peace and acciamation for congress by the Demo-cratic convention at Milledgeville, Georquiet of their homes disturbed, because of threatened riots, and Impending breaches of the public peace, by armed bands of lawless negroes. The press of this city has given the details of the Somerville and Austin affairs to the public; and now that people resume their wonted calmness, and ere yet the company their wonted calmness, and ere yet the company their wonted calmness. matter loses its prominence before the country, or is remembered only as one of the distempered effects of the dog-days, let us ask ourselves, in all seriousness, to what source we may trace the rictions to what source we may trace the riotons and eminently lawless action in the by fire Wednesday at the tanneries in premises of the once well-behaved and Montreal, rendering about thirty famipeaceable pegro population of these States. For the four years during which the enforcement of the nefarious reconstruction laws, he was quiet, sober, and well-to-do—on good terms with his emthe caming in of the carpetbagger—at ones the creature and administrator of the so-called reconstruction laws—the Goldsmith Maid beat her own time of the so-called reconstruction laws—the negro fell away from the habits of 2:15\frac{1}{4} in 2:14\frac{1}{4}. Those twenty thousand yelled at the extraordinary performance. the lowest depths of moral turpitude, abandoned the steady habits of his has tendered his resignation to Governor plantation life, became a "freeman," i. Kellogg because the recent Republican didate for the county jail and for a permanent position in the State penitentiary. The negro is now discontented, morose and thriftless, where he was formerly a falthful, happy and useful member of society. Who is responsible for this decadence? Who corrupted the black man? There can be but one any analysis of the state of the coal mine of the Idlinois central coal-mining company exploded, demoishing the works, and killing three men, Alexander Hanson, Preston Smith and Andrew Major. Two others were badly hurt, but their names were not accordanced. black man? There can be but one answer to this question, to-wit; the Radical carpetbagger. He has been, and is the self-constituted political leader and teacher of the negro. The nature of that instruction may be gleaned from its results—"By their fruit ye shall know them." Now, we enter a plea in health of the negro. He is not all to state the self-constituted political leader and teacher of the negro. The nature of fired two shots, one of them producing an ugly wound in Taylor's head. The man escaped. The surgeons think Taylor will recover. The object of the affacts against the producing an ugly wound in Taylor's head. The man escaped. blame. Ignorance has made him the and not robbery. easy dupe of shrewd knaves. Naturally of a kindly and docile disposition, his bering ten chiefs and head-men, arrived an enforced citizen, and of the relative and reciprocal obligations growing out of citizenship; ignorant of the law and after office hours. of sucial duty, he has been imposed Intelligence was received at Ottaupon, and is now at sea as to either his rights or his duties. One step more, and we have a black communism. Such a status implies danger to the State, and threatens destruction to life, property. Instiness—everything. Security to life and property is the first and escountered anything of the kind. The countered anything of the kind. The property is morthwest police force will follow the prosperity. Without it, property is same route to some extent, and the individual states. HENEY G. MILLER. HENEY THOMAS. valueless, and sound, profitable business cations are that they will also be undis-impossible. Everything that renders life or property insecure is so many thousand dollars taken away from trade and commerce, from nerticulture.
